(As Amended)

"AN ACT CONCERNING QUASI-PUBLIC AGENCIES."

1 Strike section 15 in its entirety and substitute the following in lieu
2 thereof:

3 "Sec. 15. (*Effective from passage*) The Legislative Program Review and
4 Investigations Committee shall study (1) the advantages and
5 disadvantages of the powers and duties of the Connecticut Resources
6 Recovery Authority being exercised by a state agency instead of by a
7 body politic and corporate which is a political subdivision of the state,
8 (2) the feasibility of the state contracting with a private entity to
9 provide those services provided on the effective date of this section by
10 the Connecticut Resources Recovery Authority, and (3) the feasibility
11 of the Connecticut Resources Recovery Authority being reestablished
12 as a private entity rather than a body politic and corporate which is a
13 political subdivision of the state. Such study shall recognize that, if a

14 structural change is made, provision is required to be made to ensure
15 the payment of the authority's outstanding obligations and the
16 performance of the authority's contracts and agreements consistent
17 with section 22a-274 of the general statutes. Not later than January 1,
18 2003, said committee shall submit a report on its findings and
19 recommendations to the General Assembly in accordance with section
20 11-4a of the general statutes."
